

# **Cross Houses Community Centre**

## **Chairman Report**

**May 2024**

We have had a good year with bookings. Our regular groups continue to operate gaining good visit numbers. Vicky from Slimming World has left as group leader, but the group is continuing to operate.

Family History Society have now moved to holding meetings online. They still use us for storage.

Children's parties still fill up weekend bookings

The hall internet, which was fitted to the premises last year, this now allows our hirers to gain access the World wide web. This system is being well used by all ranges of bookings.

We have completed some Maintenance tasks, with all carpets being cleaned & toilet woodwork given a coat of paint.

We are looking at getting a hive system fitted to heating system prior to winter 2024.

The hall is a great asset to the community, it is run off the back of a small group of volunteers. Thank you to new members who have joined our committee.

Once again, I would like to thank all the Management committee past and present for all their hard work over the past year. Also, all our hirers for their continued support.

Richard Purslow

CCC Management Committee Chairman
